RESERVATION, MODIFICATION & CANCELLATION:

1. Please make your reservations online if possible. If this is not possible for you, we will of course also accept email and telephone reservations. Online reservations are possible until 3 days, 18.00, before arrival, after that we ask for telephone registration.
2. Regardless of the reservation method, reservations can only be made by type of sleeping place, but not by room or camp number. The allocation of rooms and camps will be made only on the day of arrival according to the actually appeared guests/groups.
3. In case of full occupancy, you can enter your name in a waiting list when making your reservation online. We will inform you immediately if there are any vacancies. But please note: If, for example, 4 places are still available, but you reserve 6 places, your entire booking will be placed on the waiting list. In such cases we recommend 2 reservation processes. In the first one you firmly reserve the 4 bookable seats. In a second one you put your other 2 on the waiting list. Usually, although at very short notice before your arrival, the missing places can be made available. In the worst case we will certainly find an emergency camp.
4. For groups of 13 or more people, regardless of the date, a complete cancellation is only possible verbally, by phone, by mail or in writing.
5. Please note that when entering your data in the online reservation, you must write your e-mail address in the repeat field, copying is not possible in this case.
6. You can reserve without or with personal registration. In the first case you need for changes or cancellations the deposited link from our confirmation mail. In the other case you can log in to the registration system with your username and password independently from this link.
7. After submitting your reservation, please follow the resulting, self-explanatory, short mail correspondence.
8. We do not charge any advance payments. Please understand that we charge cancellation fees in case of no-show and without timely cancellation. The following conditions apply. Please keep in mind that the change of guests is organized daily, we order drinks and fresh food three days in advance according to the number of people booked, and we may have additional staff.
9. Please inform us, regardless of any deadlines, if something changes in your reservation. This can be helpful in case of emergencies and allows us to keep the cottage running smoothly. For example, your empty multi-bed room sleeping space can then be given to others.
10. Up to 5 days (120 hours), 18.00, before your arrival, you can change your reservation without cancellation fee or cancel it completely. After this time we will charge you 10,00 EUR cancellation fee per person and night (no show charge according to booking system). This also applies to reservations made up to 1 day (24 hours), 18.00, before arrival.
11. If your arrival at our cottage is delayed by one or a few days, we will not charge you a cancellation fee.
12. If a cancellation invoice has already been paid in the previous year 2022, no counter invoice will be charged for a stay at the hut during the 2023 season.
13. If a group member falls ill during the tour and has to leave, we will not charge a cancellation fee for him/her and an accompanying person (with children, if applicable).

9. Self-catering is only allowed for alpine club members. In this case, fees will be charged for the use of the hut's infrastructure for day and overnight guests (children/youth free). Alcoholic beverages are not allowed.
10. In case of overcrowding in the hut, waiting guests must be taken into consideration when allocating seats in the guest rooms.
11. The hut is closed from 22.00 to 6.00 o'clock. In case of special occasions the hut host decides about an extension of the hut evening.
12. Please take your own waste down to the valley. For hygienic waste there are bags and buckets in our toilets, which we will dispose of for you. Please do not throw it in the toilets, otherwise there will be disturbances at our sewage treatment plant.
